The NTCI Foundation and The North Toronto Music Parents present:

A Pre-Maytime Melodies Reception and School Tours

Are you interested in roaming the halls of this great institution one last time? The original North Toronto CI built in 1912 is being torn down this summer to be replaced by a state of the art building that students will grace for the first time in September '10. The old building is tired and run down but the halls and classrooms still hold the memories of the past 98 years. Would you like to take one last look before this piece of history is gone forever? Take this opportunity to visit the school, share a beverage with other alumni and attend the 64th Maytime Melodies – the last ever to be held in the old school!
